## Verse

Baby, baby, I've been watching you watching me  
Secretly sending tender kisses casually  
Across a crowded room, your man doesn't know it's  
you  
(You're so bold) Mmm, I guess that's how it goes  
Lady, lady, it seems like he bores you to death  
You need to escape, you need to enjoy yourself  
Ignore his wondering eyes, he doesn't realize  
You're gonna make your move

## Chorus

Come and get it  
The lovin' you want is in me  
Come and get it  
I will love you faithfully  
Come and get it  
Girl, don't be shy  
I swear you won't regret it  
Baby, come and get it

## Verse

Tell me, tell me, woman, if you'd like to pursue  
Eternal pleasure hand delivered from me to you  
Fulfill your fantasies with 98 Degrees  
(Baby, this is Motown) Mmm, that's how it's going down  
Show me, show me everything that you'll sacrifice  
To come and get it, me, I'm willing to spend my life  
To keep you comin' forever and always, alright  
Starting with tonight

## Bridge

Tonight's your night  
There's no need to worry  
(Come on, baby, don't worry)  
Come get this love  
There's no need to hurry  
(Come and get this love)

## Chorus

Come and get it

The lovin' you want is in me  
Come and get it  
I will love you faithfully  
Come and get it  
Girl, don't be shy  
I swear you won't regret it  
Baby, come and get it
