Hey yeah  
Now here's a story  
One we both know  
About two people  
When they lost their self control  
If we're not careful it might be you and me  
When things are good  
You gotta let them be, oh  
Why you wanna play me around  
Why you wanna mess with this love that we've found  
Why you wanna tear us apart  
If you're trying to break my heart  
You better give it up, give it up  
'Cause I am not gonna take anymore  
Yeah my heart has made mistakes like this before  
If you don't start treating me right  
I'm gonna give it up, give it up, give it up  
Starting with tonight  
Oh baby, Oh yeah  
Starting with tonight  
I'm gonna make it right, Oh yeah  
Why you wanna play with me  
Play me around, Oh baby calm down
