All I am, All I'll be  
Everything in this world  
All that I'll ever need is in your eyes  
Shining at me  
When you smile I can feel  
All my passion unfolding  
Your hand brushes mine  
And a thousand sensations seduce  
Me  
Cause I

I do cherish you  
For the rest of my life  
You don't have to think twice  
I will, love you still  
From the depths of my soul  
It's beyond my control  
I've waited so long to say this to  
You  
If your asking do I love you this much  
I do

In my world, before you  
I lived outside my emotions  
Didn't know where I was going  
'Til that day I found you  
How you opened my life to a new paradise  
In a world torn by change  
Still with all my heart  
'Til my dying day

I do cherish you  
For the rest of my life  
You don't have to think twice  
I will, love you still  
From the depths of my soul  
It's beyond my control  
I've waited so long to say this to  
You  
If your asking do I love you this much  
Yes I do (I do)

If your asking do I love you this much  
Baby

I do cherish you  
From the depths of my soul  
It's beyond my control  
I've waited so long to say this to you  
If your asking do I love you this much  
Baby I do...
