Do you see the young kids dying Do you see blood on the wall Do you see my town burning day by day Violence and fight for nothing

Never feel so insecure Now ,people closed her door I don't want to stay on street of misery Cause the death is all I see

Gouvernement have no solution

But do you see man, the prostitution I don't want this life for my soon I don't want this life pollution's

Never feel so insecure Now ,people closed her door I don't want to stay on street of misery Cause the death is all I see
