Every day and every morning,  
Iâ€™ll try to be something good.  
I know she doesnâ€™t like me  
and I know Iâ€™m so happy.

Swannieâ€™s just like them,  
Swannie is not my friend  
Swannie just like them,  
Swannie is not my friend.

And when she say â€œ we move to Vegasâ€œ

I know she on me kness  
She want a .....  
Itâ€™s great Iâ€™ve no remorse

Swannieâ€™s just like them,  
Swannie is not my friend  
Swannie just like them,  
Swannie is not my friend
