Ooo ohh

I would give up everything
Before I'd separate
Myself from you
After so much suffering
I finally found unvarnished truth
I was all by myself
For the longest time
So cold inside
And the hurt from the heartache
Would not subside
I felt like dying
Until you saved my life

CHORUS

Thank God I found you
I was lost without you
My every wish and every dream
Somehow became reality
When you brought the sunlight
Completed my whole life
I'm overwhelmed with gratitude
My baby I'm so thankful
I found you
Oh yeah oh yeah

I will give you everything(everything)
There's nothing in this world
I wouldn't do(oh no)
To insure your happiness
I cherish every part of you
'Cause without you beside me
I can't survive
Don't want to try(i wanna try)
If you're keepin me warm
Each and every night
I'll be alright
'cause I need you in my life

Chorus

Thank God I found you(i thanken you)
I was lost without you
My every wish and every dream
Somehow became reality
When you brought the sunlight(sunlight)
Completed my whole life
I'm overwhelmed with gratitude
My baby I'm so thankful
I found you
(ohh)

See I was so desolate
Before you came to me
Looking back i guess
It shows that we were
Destined to shine
After the rain, to appreciate
The gift of what we have
And I'd go through it all over again
To be able to feel this way

Chorus
Thank God I found you
I was lost without you
My every wish and every dream
Somehow became reality
When you brought the sunlight
Completed my whole life
I'm overwhelmed with gratitude
My baby I'm so thankful
I found you
(you you you you)
