The snow is falling, the city is white  
Your eyes are shining like diamonds tonight  
And we're all alone, there's no one home  
You're finally in my arms again  
The night is silent, the moment is here  
I couldn't ask for more than having you near  
Cause I love you girl  
I always will  
And now I know the moment is right

(Chorus)

Cause I've been waiting to give this gift tonight  
I'm down on my knees, there's no better time  
It's something to last for as long as you live  
Tonight I'm gonna give you all my heart can give

I thought I'd give you something shiny and new  
I tried to find something worthy of you  
But I realized, when I looked inside  
There's some things that money can't buy  
Oh no, I feel the magic whenever you're near  
I feel it even more this time of the year Cause I love you  
girl  
I always will (always will)  
And now I know the moment is right (the moment is  
right)

(Chorus)

Cause I've been waiting to give this gift tonight  
I'm down on my knees, there's no better time  
It's something to last for as long as you live  
Tonight I'm gonna give you all my heart can give

You know I'll always be true to you  
And you know I'm the one you can turn to  
Anytime, anyplace, or anywhere  
You know that I'll always be there (oh baby)

Cause I've been waiting to give this gift tonight  
I'm down on my knees, there's no better time  
It's something to last for as long as you live

Tonight I'm gonna give you all my heart can give

Waiting to give this gift tonight

I'm down on my knees, there's no better time

It's something to last for as long as you live

Tonight I'm gonna give you all my heart can give
