(Chorus):

Baby, baby, to me you're everything.
It's just the love and joy that you bring.
No one can take the place I've given you.
Ooh, girl, you're like an angel in disguise.
You are the dream that never will die.
'Cause , baby, to me you're everything.
(Ooh, girl)
I've been thinking about you lately.
(Show me, show me)
And it just troubles my mind.
(Got my mind on you)
'Cause the things you said, right before you walked
away.
It brought so much pain.
(Girl)
I've been walking in these four walls.
(Thinkin' about your love)
Trying to find a way
(Trying to find a way)
Got a picture of you.
Deep inside my heart.
And you know.
(Repeat Chorus)

There is nothing like the real thing
(Show me, show me love.)
And girl I'll always be true.
(Always true to you).
I've got no time to waste.
I know there is no better place.
Than right here with you.
And yeah, you've got that thing and I want it.
(And I want it.)
And I know it by now (ooh, ooh)
There's nothing I ain't gonna do to you. (ooh, ooh)
(Repeat Chorus)
