Somewhere in the world , there's a place where you
can go
It's in florida , this is call "Miami"
Lots of girl look at you , just yen or thinks for sexe
Everywhere, everyday, paradise this is...

Na ,na , na na.....
Hello Girl , Welcome to Miami.....
Everybody on the street
Hello Girl Welcome to Miami.....
Everybody on the beach
Hello Girl Welcome to Miami.....
And the girl are so pretty
Hello Girl Welcome to Miami.....
We are the Mc coy of the beach.....
The sea is so great , the sky always blue
The girls want to fuck, the night will be hot
when i'm here, and the sun goes down
Clothes fall down., and the dicks up.

Na ,na , na na.....
Hello Girl , Welcome to Miami.....
Everybody on the street
Hello Girl Welcome to Miami.....
Everybody on the beach
Hello Girl Welcome to Miami.....
And the girl are so pretty
Hello Girl Welcome to Miami.....
We are the Mc coy of the beach.....
