It's over baby one more time
Don't make me sit alone and cry
Well it's over
I know it but I can't let go

I'm like a fish out of water
A cat in a tree
You don't even want to talk to me
Well It's over
I know it but I can't let it go

You won't take me back
When I come around
You say you're sorry
But then you push me out
I got a big chain
Around my neck
And I'm broken down
Like a train wreck
It's over
I know it but I can't let go

See I got a candle that burns so bright
In my window every night
Well it's over
I know it but I can't let go

You don't have to see me standing around
Feel like I've been shot and didn't fall down
Well It's over
I know it but I can't let go

You won't take me back
When I come around
You say you're sorry
But then you push me out
I got a big chain
Around my neck
And I'm broken down
Like a train wreck
It's over

I know it but I can't let go

You turn off trouble like you turn off a light
Went off and left me it just ain't right
Well it's over
I know it but I can't let go

Yeah I around every corner something I see
Brings me right back how it used to be
Well it's over
I know it but I can't let go

You won't take me back
When I come around
You say you're sorry
But then you push me out
I got a big chain
Around my neck
And I'm broken down
Like a train wreck
It's over
I know it but I can't let go

You won't take me back
When I come around
You say you're sorry
But then you push me out
I got a big chain
Around my neck
And I'm broken down
Like a train wreck
It's over
I know it but I can't let go

It's over
I know it but I can't let go
Yeah, yeah, yeah
It's over
I know it but I can't let go
