Dear Time,
If you don't mind
Would you kindly read this letter of mine?
I've got some things I need to know,
some questions laying heavy on my soul.
Dear Time,
Why've you been
taken me so far away from way back when?
I know I'm just a simple heart.
But you've got a way of tearing my little world apart.

I know you're precious, I've heard you fly.
Before I know it, you've already gone by.
But I need a moment to slow down.
Can't you stop your cruel old hands from spinning
round?

Dear Time, Dear Time

I've had loved ones who've moved on.
How'd you keep going like there's nothing wrong?
Somehow the years keep passing by,
I see you in the lines around my eyes.

I know your precious, I've heard you fly.
Before I know it
you've already gone by.
But i need a moment to slow down.
Can't you stop your cruel old hands from spinning
round?

Dear time, Dear Time

Dear Time, if it's not too late can I go back and fix all
my mistakes? Can you be tender, can you be sweet?
Will you have a little mercy on me?

Dear Time, Dear Time.
