[Chorus:]

I can't unlove you
I can't make my heart untrue
I can't turn my world unblue
Since you went away
And I can't be untouched
And you touched me so much
There's just some things you can't undo
And I can't unlove you

I can be strong all day long
Make all my friends believe
By the way I smile
That I'm alright
And it's like killing me
I can even laugh sometimes
Oh but I

[Chorus]

Oh
Mmmmm
Ahh yeah yeah

Some days it rains
No one can change the weather
I do my best
But it don't get no better

[Chorus]

I guess there's some things I can't undo
And I can't unlove you
