Ain't slept a wink 'cause I'm still hurting
Ain't ate a thing since he went away
Tried everything but it ain't working
These tears keep rolling down my face

Pain pain go away
Come again another day
Tired of this heartache
Tired these tear stains
Nothing that I can do
Left me in the rearview
Standing at the grasshop
Holding on for dear life
Heart laying the street
Covered in a white sheet
Pain pain go away
Come again
Another day

Pounded my heart with a nine pound hammer
Left it in stitches and didn't look back
The way he did me they oughta put him in the slammer
Oughta be a law against leaving like that

Pain pain go away
Come again another day
Tired of this heartache
Tired these tear stains
Nothing that I can do
Left me in the rearview
Standing at the grasshop
Holding on for dear life
Heart laying the street
Covered in a white sheet
Pain pain go away
Come again
Another day

Looking back now I never saw it coming
I didn't know I fell until I hit the floor
Coulda, shoulda, woulda now I ain't got nothing

But a heartache kicking 'round my front door

Pain pain go away
Come again another day
Tired of this heartache
Tired these tear stains
Nothing that I can do
Left me in the rearview
Standing at the grasshopper
Holding on for dear life
Heart laying the street
Covered in a white sheet
Pain pain go away
Come again
Another day
