When I grow up I wanna pony
I'm gonna ride her from dusk 'til dawn
I'm gonna brush her mane
And feed her sugar cane
And keep her in safe from the storm

If I had a pony
I wonder
Could I be your girl

When I grow up I wanna baby
I'm gonna name it after Ralph Stanley
And I sure I won't mind
When it cries all night
Just as long as it looks like me

If I had a baby
I wonder
Could I be your girl

(Chorus)
Yodelay he yodeloh oh
You rock my world
Yodelay he yodeloh oh
When I grow up
I wanna be your girl

When I grow up I wanna a cowboy
With dust all over his jeans
With a horse named Jack
And a ten gallon hat
He is nice but he looks so mean

If you were a cowboy
I wonder
Could I be your girl

(Repeat Chorus)

When I grow up I'll be a lady
All my rings will be made of gold

I'll put flowers in my room
I'll wear perfume
I won't listen to rock and roll

If I was a lady
I wonder
Could I be your girl
Oh yeah

(Repeat Chorus)

When I grow up I wanna be
When I grow up I wanna be
When I grow up I wanna be your girl

When I grow up I wanna pony
When I grow up I wanna baby
When I grow up I wanna cowboy
When I grow up I'll be a lady
