Over and over I look in your eyes

You are all I desire

You have captured me

I want to hold

I want to be close to you

I never want to let go

I wish that this night would never end

I need to know

Could I hold you for a lifetime

Could I look into your eyes

Could I have this night to share this night together

Could I hold you close beside me

Could I hold you for all time

Could I could I could I have this kiss forever

Could I could I could I have this kiss forever

Over and over I've dreamed of this night

Now you're here by my side

You are next to me

I want to hold you and touch you and taste you

And make you want no one but me

I wish that this kiss could never end

Oh baby please

Chorus

I don't want any night go by

Withoutyou by my side

I just want all my days

Spent being next to you

Lived for just loving you

And baby, oh by the way

Chorus
