Whitney Houston ft. George Michael - If I Told

=====

Now tell me how you feel if I told
You that I have feelings for you
And would it be so wrong to say
Whats on my mind
Im sorry I have to
We were friends but with time
What I feel inside for you has changed
But Id give up on love, if I thought
That it was untrue for you

(If I told you that) I wanted to see you
(And if I told you that) I beg to please you
(If I told you that) Ill always keep you
What would you say (if I told you that)

I know that we were just friends
But what if I decide to bring somethings in
I hope it wont offend the trust
We have cause I dont want this to end
I you think that well lose what we have
Then Id just rather stay (rather stay) the same
(Id rather stay the same)
Cause I dont wanna choose
Between two of the most precious things to me
(tell me)

(If I told you that) I wanted to see you
(And if I told you that) I beg to please you
(If I told you that) Ill always keep you
What would you say (if I told you that)

If we take this chance and extend
To each other romance
I hope it would be
The right thing for you and me

(If I told you that) I wanted to see you
(And if I told you that) I beg to please you
(If I told you that) Ill always keep you

What would you say (if I told you that)

Would you be there for me
Could you dare to hold me
Will my feelings leave me
Lonely if I told you
