Is my world not falling down

I'm in pieces on the ground

And my eyes aren't open

And I'm standing on my knees

But if crying and holding on

And flying on the ground is wrong

Then I'm sorry to let you down,

But you're from my side of town

And I miss you.

Turn me up or turn me down

Turn me off or turn me round

I wish I could have met you in a place

Where we both belong

But if crying and holding on

And flying on the ground is wrong

Then I'm sorry to let you down,

But you're from my side of town

And I miss you.

Sometimes I feel like I'm just a helpless child

Sometimes I feel like a kid.

But baby, since I have changed

I can't take nothing home.
City lights at a country fair
Never shine but always glare
If I'm bright enough to see you,
You're just too dark to care.
But if crying and holding on
And flying on the ground is wrong
Then I'm sorry to let you down,
But you're from my side of town
And I miss you
