Jocko says "Yes", and I believe him  
When we talk about the things I say  
She hasn't got the faith or the guts to leave him  
When they're standing in each other's way  
You're tripping back now to places you've been to  
You wonder what you're gonna find  
You know you've been wrong but it won't be long  
Before you leave 'em all far behind  
'Cause it's the new Mother Nature taking over  
It's the new Splendid Lady come to call  
It's the new Mother Nature taking over  
She's gettin us all  
She's gettin us all  
Jocko said "No", when I came back last time  
It's looking like I lost a friend  
No use callin' 'cause the sky is fallin'  
And I'm getting pretty near the end  
A smoke-filled room in a corner basement  
The situation must be right  
A bag of goodies and a bottle of wine  
We're gonna get it on right tonight

'Cause it's the new Mother Nature taking over

It's the new Splendid Lady come to call

It's the new Mother Nature taking over

She's gettin' us all

She's gettin' us all
