Whoah-oh-whoah-oh whoah-oh-whoah-oh all but no
resolution all scored self-mutilation black hole no
salvation knock on mass anihilation i pray you say it
had to come one day i died you cried you sit here and
wonder why whoah-oh-whoah-oh whoah-oh-whoah-oh
we fail the next generation we rate to our satisfaction
down we pay true to our taxation cell phone quiet
desperation i plead you feed we must plant the new
seed i tried you lied test scream out world wide! i
prayed you say it had to come one day i died you cried
you sit here and wonder why i plead you feed we must
plant the new seed i tried you lied you sit here and
wonder why we hate exterminate iniate the new state
we scream falsely must be the new dream we feel (that
we) must start a new deal one for (one for) let's create
a new god i say no more (no more) you can't keep
