[Originally by Descendents]

Do you know what i think of you?  
Do you know what i feel is true?  
Do you know what i think of her?  
I know what she thinks of me,  
I'm sure don't know why it's so,  
But it's true!  
So you know what i think about you  
But do you know what you want me to do?  
When you see me staring at you  
Do you know what i want you to do?  
I don't know why it's so, but it's true!  
I don't want to have sex with you  
I want to be your friend  
I want to be with you  
I want you to marry me  
Now you know what i think about you  
You know that my speed is you  
I know i want you to be my wife  
And be with me the rest of your life  
Do you know what i think about you?
