How can something so beautiful be defined?  
We've been through the bad, we've been through good  
now, and cried.  
This is the offer, I want a daughter, that looks as  
beautiful as you.  
This is our life, there's never a goodbye, we'll bloom

(Pre-Chorus)  
Into something beautiful  
Never to lie, never to say "Im Gone"

(Chorusx2)  
When it all falls down, we will still remain  
And I will be the one to wash the tears off you face  
As you close your eyes  
Am I'm holding you tight

So many words I need to say, to you  
You changed my world the day you came, I knew  
The look on your face that says its OK, To cry  
I swear its fate that you came, into my life

(Pre-Chorus)  
Into something beautiful  
Never to lie, never to say "Im Gone"

(Chorusx2)  
When it all falls down we will still remain  
And I will be the one to wash the tears off you face  
As you close your eyes  
And I'm holding you tight

A touch of your lips, can bring me to, my knees  
And our love is the only thing that sets us free  
You are my angel, with your beautiful, eyes  
This is for you, no more solitude, in our life

(Pre-Chorus)  
Into something beautiful  
Never to lie, never to say "Im Gone"

(Chorus)

When it all falls down we will still remain  
And I will be the one to wash the tears off you face  
When it all falls down  
When it all falls down  
When it all falls down, hey, yeah
