A Blue Kiss

Colouring me goodbye

A New Kiss

Could never feel so fine

Tomorrow

I'll be living in black & white

Why? Does it have to be such a Blue Kiss

When I kiss you

Now! I'll colour my world with a Blue Kiss

I've got kisses for you

Red Lips

Kissing away my fears

A Blue Kiss

Bringing me back to tears

Why? Does it have to be such a Blue Kiss

Yeah this kisses are blue

Now! I colour my world with a Blue Kiss

I've got kisses for you

A prison of love surrounded us

Don't you see what our hearts knew

How can you choose on what kind of world

When you know I've got a rainbow for you

Last night a spectrum filled the sky

This morning you're shattered with your goodbye

Why? Does it have to be such a Blue Kiss?

When I kiss you

Now! I'll colour my world with a Blue Kiss

I've got kisses for you
