If everyday could be Christmas
What a wonderful world it would be
We could carry this feeling within us
All through the years
If everyday could be Christmas

Christmas lights up the city
Rooftops covered in snow
Lovers sharing a sleigh ride cuddled close
And their eyes seem to glow

Window shopping on Main Street (ooh)
Bundled up head to toe, whoa (ooh)
Children ice skating 'round the Christmas tree
I see smiles, young and old oh

Christmas lights up the city
Rooftops covered in snow
Lovers sharing a sleigh ride cuddled close
And their eyes seem to glow

Church bells ring in the distance
Peace on Earth is the air (oh oh oh)
Sidewalk Santa is handing out candy canes
I feel love (I feel love) everywhere (everywhere)

Christmas lights up the city
Rooftops covered in snow
Lovers sharing a sleigh ride cuddled close
And their eyes seem to glow

It's the time we open up and hear from our hearts
Let love shine, brighter
Than any star

Christmas lights up the city
Rooftops covered in snow
Lovers sharing a sleigh ride cuddled close
And their eyes seem to glow

Christmas lights up the city
Rooftops covered in snow

Lovers sharing a sleigh ride cuddled close
And their eyes seem to glow
