When i think of all the things you've done for me  
It brings a smile to my face  
And so i close my eyes to suddenly see  
Memories of my sweetest days, sweetest days

But i never said thank you, i never really tried  
And when i think about it i just wanna cry  
There are so many things that i wanna say  
I would do anything to see you

Just for a day...shoop  
(just for a day)  
Just for a day...shoop  
(just for a day)  
I never meant to hurt you  
I just wanna say  
I would give anything to see you  
Just for a day...shoop  
Just for a day...shoop

I know i love you, i tell myself  
I just didn't know how to say it

But i wonder if you hear me, when i pray at night  
Sometimes i forget that you're by my side  
Did you know that you were the reason i live my life  
Lord, i would do anything to see you

Just for a day...shoop  
(just for a day)  
Just for a day...shoop  
(just for a day)  
I just wanna know you  
(wanna know you)  
And all of your ways  
(all your ways)  
I would give anything to see you  
Just for a day

Just for a day...just for a day...just for a day  
Anything...anything...anything for you
