"Lean On Me"

Sometimes in our lives, we all have pain, we all have
sorrow.

But if we are wise, we know that there's always
tomorrow.

Lean on me, when you're not strong and I'll be your
friend.

I'll help you carry on, for it won't be long 'til I'm gonna
need somebody
to lean on.

Please swallow your pride, if have things you need to
borrow.

For no one can fill those needs that you won't let show.

You just call on me brother when you need a hand.

We all need somebody to lean on.

I just might have a problem that you'll understand.

We all need somebody to lean on.

Lean on me when you't not strong, and I'll be your
friend.

I'll help you carry on, for it won't be long 'til I'm gonna'
need
somebody to lean on.

You just call on me brother if you need a friend.

We all need somebody to lean on.

I just might have a problem that you'll understand.

We all need somebody to lean on.

If there is a load you have to bear that you can't carry.

I'm right up the road, I'll share your load if you just call
me.

Call me (if you need a friend)

Call me

(REPEAT AND FADE)
