This night is so hard and I know it
This night is the darkest of all
But don't worry baby, I'll give you my last breath
Please God, give me strength cause I need it
I have to be so strong right now
I have faith, so I won't be afraid

Chorus: Keep fighting and I'll be beside you,
I'll hold you by your hand
So don't give up because I love you
Without you baby I'm dead
Just stay awake cause I can't take it
I try so hard to breathe
I'm staying here and I'm not leaving
Together we will leave

Sometimes it's so hard for believing
Sometimes there's no light in your heart
But don't lose your faith, cause this is not the end

Chorus: Keep fighting and I'll be beside you,
I'll hold you by your hand
So don't give up because I love you
Without you baby I'm dead
Just stay awake cause I can't take it
I try so hard to breathe
I'm staying here and I'm not leaving
Together we will leave

Sometimes gets so bad and you can't take it
Sometimes you completely lose hope
But don't you give up now, don't stop believing
Can't live without you, so please

Chorus: Keep fighting and I'll be beside you,
I'll hold you by your hand
So don't give up because I love you
Without you baby I'm dead
Just stay awake cause I can't take it
I try so hard to breathe
I'm staying here and I'm not leaving

Together we will leave
