Har Khawaish Hogi Puri Yahan Manglo Apni Mannat
Yeh Sirf Sheher Kahan Ye Toh Hain Bas Jannat!!!

[VERSE 1]

Mumbai The Name Says It All, Everybody Is Welcomed
Here No Matter How Big Or Small
Mumbai Not Just a City, A Creek where all the rivers of
28 states meet
I say its Mum-Bhai coz itâ€™s a Caring Mother as well
as a Supporting Brother
Hard work Is the key to success just give your best and
you can win this race
No Matter Where You Belong, You Can Be The King As
Far As You Do No Wrong
This City Is Place Where All Dreams Come True,
Everything Is Valued including the struggle that u have
been through,
Yeah thatâ€™s why itâ€™s the dream city the only
place where possibility turns into probability
Just Stay Calm and donâ€™t lose your patience coz its
Mumbai prestige For The State, Pride For The Nation
Population Of Around 21 Million still it feels like
everybody knows each other,
Coz Any Stranger Is Also Treated As A Real Brother.

[CHORUS]

Har Khawaish Hogi Puri Yahan Manglo Apni Mannat
Yeh Sirf Sheher Kahan Ye Toh Hain Bas Jannat!!!
Har Khawaish Hogi Puri Yahan Manglo Apni Mannat
Yeh Sirf Sheher Kahan Ye Toh Hain Bas Jannat!!!

[VERSE 2]

On the coastal Border The Gateway Stands To
Welcome You In the city
Just beside "The Taj" which is Nothing But Just An
Epitome Of Hospitality
Drive Your Cars On An Evening On The Queenâ€™s
Necklace

Experience The Joy Experience The Pride That You Get
On Your Face

Walk Down The Streets See The Bright Lights See The
Shinning Malls

But Still The City Resides On The road Side Vada Pav
Stalls

Join A Procession Listen To The Beat Feel The Heat
I Salute You If You Can Control Yourself From Shaking
Your Feet

Visit The Beaches Float On The Arabian Sea Don't
Move Ahead coz The Water Gets Shallow

Cricket My Religion Sachin Our God The Mantra
That Every Mumbaikar Follows

Every calamity here is welcomed with a smile, even
when happiness stays at a mile

[CHORUS]

Har Khawaish Hogi Puri Yahan Manglo Apni Mannat
Yeh Sirf Sheher Kahan Ye Toh Hain Bas Jannat!!!

Har Khawaish Hogi Puri Yahan Manglo Apni Mannat
Yeh Sirf Sheher Kahan Ye Toh Hain Bas Jannat!!!

[VERSE 3]

Bruised By the 11/7 wounded by the 26/11, those
Memories Pain As I Look On The Scars That Remain
Those Demons Destroyed The City And Threw An Open
Challenge,

The Next Day The Things Were Stable, Which was
nothing But A REVENGE!!!

Courage In The Heart Fear In The Brains, For Every
Mumbaikar who Travels Through The Trains.

They Thought Their Ugly Tricks Were Successful And
They WON

Listen!!!! We Never Lost And Will Never coz We Are
The Kings Son!!!

This Is Something We Call Spirit. Yeah The Spirit Of A
Mumbaikar Which You Can Never Beat

Shout Along For The City, Shout Along For The People,
Shout It Out For The Police, Shout Aloud For The Pride
Just Don't Stop Keep Moving Ahead, Hault And
Pauses Are Out Of Sight

Coz The City Never Stops Keeps Running At The Speed
Of Light

[CHORUS]

Har Khawaish Hogi Puri Yahan Manglo Apni Mannat
Yeh Sirf Sheher Kahan Ye Toh Hain Bas Jannat!!!

Har Khawaish Hogi Puri Yahan Manglo Apni Mannat
Yeh Sirf Sheher Kahan Ye Toh Hain Bas Jannat!!!
