Yeah

All I wanna do is zoom-zoom-zoom-zoom and a boom-boom

Just shake your rump

All I wanna do is zoom-zoom-zoom-zoom and a boom-boom

Just shake your rump

All I wanna do is zoom-zoom-zoom-zoom and a boom-boom

Just shake your rump

All I wanna do is zoom-zoom-zoom-zoom and a boom-boom

Just shake your rump

All I wanna do is zoom-zoom-zoom-zoom and a boom-boom

Just shake your rump

Check, baby, check, baby, 1-2-3-4

Check, baby, check, baby, 1-2-3

Check, baby, check, baby, 1-2

Check, baby, check, baby, 1

It's called rump shaker, the piece is like sweeter than candy

I'm feelin' manly and you say it's comin' in handy

Slidin' my claws from New York down by N. Virginia

Ticklin' you around Delaware before I enter

Total seduction, from face, hips, to feet

A wiggle and jiggle can make the night complete

Now since you got the body of the year, come and get  
the award

Here's a hint, it's like a long chop sword

Flip town, so let me see you shake it up like dice

The way you shake your rump is turnin' mighty men to  
mice

But A+ got a surprise that's a back breaker

Now let me see you shake your rump like a rump  
shaker

All I wanna do is zoom-zoom-zoom-zoom and a boom-  
boom

Just shake your rump

All I wanna do is zoom-zoom-zoom-zoom and a boom-  
boom

Just shake your rump

All I wanna do is zoom-zoom-zoom-zoom and a boom-  
boom

Just shake your rump

All I wanna do is zoom-zoom-zoom-zoom and a boom-  
boom

Just shake your rump

Check, baby, check, baby, 1-2-3-4

Check, baby, check, baby, 1-2-3

Check, baby, check, baby, 1-2

Check, baby, check, baby, 1

It's Teddy, ready with the 1-2 checker

Wreckx-N-Effect is in effect, but I'm the wrecker

Off the track, 'bout the honey shakin' rumps and they  
backs in

Booties of the cuties steady shakin' but relaxin'

The action is packed than a jam like the kinds of beat

Bound to get you up, cold flowin' like a faucet

Not meant to make you sit, Not meant to make you  
jump

But Jet make the hotties in the parties shake your rump

I like the way you comb your hair, uh

I like the stylish clothes you wear, uh

It's just the little things you do, uh

That makes me wanna get with you, uh

All I wanna do is zoom-zoom-zoom-zoom and a boom-  
boom

Just shake your rump

All I wanna do is zoom-zoom-zoom-zoom and a boom-  
boom

Just shake your rump

All I wanna do is zoom-zoom-zoom-zoom and a boom-  
boom

Just shake your rump

All I wanna do is zoom-zoom-zoom-zoom and a boom-  
boom

Just shake your rump

Shake it, shake it, shake it, now shake it

She could spend every birthday butt naked

Body and soul, makin' me wanna squish her

More just in the game a rumper like a sub-woofer

Shake it to the left, shake it to the right

I don't mind stickin' it to her every single night

Come on pass the poom-poom, send it to papa

Shake it, baby, shake it, baby, shake it, don't stoppa

Let me see you do the booty hock, and now I'll make  
the booty stock

Now drop and do the booty rock

The way you're shakin' your grill's really kill

It's makin' broth' ills up a whole lot of pills

But I ain't into trickin' just to treatin'

And I ain't into treatin' every trick that I'm meetin'

No, no, no, no, no, no, no

Yeah, shake it, baby, shake it down, shake it like that

All I wanna do is zoom-zoom-zoom-zoom and a boom-  
boom

Just shake your rump

All I wanna do is zoom-zoom-zoom-zoom and a boom-  
boom

Just shake your rump

All I wanna do is zoom-zoom-zoom-zoom and a boom-  
boom

Just shake your rump

All I wanna do is zoom-zoom-zoom-zoom and a boom-  
boom

Just shake your rump

Check, baby, check, baby, 1-2-3-4

Check, baby, check, baby, 1-2-3

Check, baby, check, baby, 1-2

Check, baby, check, baby, 1-1

Check, baby, check, baby, 1-2-3-4

Check, baby, check, baby, 1-2-3

Check, baby, check, baby, 1-2

Check, baby, check, baby, 1-1

All I wanna do is zoom-zoom-zoom-zoom and a boom-boom

Just shake your rump

All I wanna do is zoom-zoom-zoom-zoom and a boom-boom

Just shake your rump

All I wanna do is zoom-zoom-zoom-zoom and a boom-boom

Just shake your rump

All I wanna do is zoom-zoom-zoom-zoom and a boom-boom

Just shake your rump

Check, baby, check, baby, 1-2-3-4

Check, baby, check, baby, 1-2-3

Check, baby, check, baby, 1-2

Check, baby, check, baby, 1-1

Check, baby, check, baby, 1-2-3-4

Check, baby, check, baby, 1-2-3

Check, baby, check, baby, 1-2

Check, baby, check, baby, 1-1

All I wanna do is zoom-zoom-zoom-zoom and a boom-boom

Just shake your rump

All I wanna do is zoom-zoom-zoom-zoom and a boom-boom

Just shake your rump

All I wanna do is zoom-zoom-zoom-zoom

All I wanna do is zoom-zoom-zoom-zoom

Just shake your rump

All I wanna do is zoom-zoom-zoom-zoom and a boom-boom

Just shake your rump

Break it down

Just shake your rump

WNE is in effect

Peace

And we out
