I'm going crazy
You don't make it easy
Don't you give a beggar a chance
Dry on the outside
Wetter on the inside
It aint exactly romance
Feelin like a fumble
Bit on rough and tumble
Got no chance of getting away
You can push me so far
Only push me so far

Too far latley
Don't you know it drives me crazy
Got it so fine latley
Crazy

I'm going crazy
No one ever pays me
Try to find me something to do
You're just double trouble
Gonna burst your bubble
I ain't got nothing like you

Sisters up for hire
Whatever you desire
Brother like to break all the rules
It's got me so far
Only push me so far

I I I don't want to be like you
You you you can do what you want to do
I'm going crazy
Everything looks hazy
You got me lying flat on my face
This is not the worst time
I bet I'm no exeptional case
Mummies on the outside
Daddies on the inside
Only got for years to do
Well it gets me so far see
Only push me so far
