I'm not saying
Tierd of playing
My word against your word
Who's that talking
Talk talk talking
My ways not your ways

Oh I'm so tierd of sitting here Need to get a few things clear

Gimme gimme gimme gimme Direct action briefing

Got no time to feel misplaced Loocking out in all this waste I'm not saying My word against your word Who's that talking Talk talk talking

My ways not your ways All these people hanging on

To something they can't prey upon

I don't want your instant debt Computer cars and rent a set Gimme gimme gimme gimme Direct action briefing Never staying in one place Getting in this human race

Direct action briefing Direct action briefing

You can keep your stocks and shares Credit cards and french Au Pairs
