So many people have opinions
But I don't care
They tell me about the millions
That just stand and stare
Don't you know that I feel so good
Don't you know that I feel alright

In Hollywood
Hollywood

Well we're staying at Le Parc
Or the Tropicana hotel

Well we're playing after dark
And it's as hot as hell
Here we are on Sunset Strip
Here we are at Ben Franks

In Hollywood
Hollywood

Have you heard about Bell Air
Have you heard about Bad air
In Hollywood
Hollywood
