I know it's not your time  
your in a better place  
i just keep picturing the smile on your face  
as we sit and cry  
we know your in the sky  
why you had to go we'll never know

dear uncle  
dear father  
dear husband  
dear friend  
we love you  
we miss you  
can't wait to see you again

it seems to us I say  
like your stolen away  
we now it wasn't a heist  
because your up there with christ  
so many memoies with all your families  
right now there is so much strife  
but to have eternal life

dear uncle  
dear father  
dear husnand  
dear friend

we love you  
we miss you  
can't wait to see you again

we now you want no one upset  
and to you we'll never forget  
how face it shone so bright  
even in the night  
you were such great guy  
but we have to say good-bye  
so we hold you close to are hearts  
and it will seem like we never depart

dear uncle

dear father  
dear husband  
dear friend  
we love you  
we miss you  
can't wait to see you again

dear uncle  
dear father  
dear husband  
dear friend  
we love you  
we miss you  
can't wait to see you again
