One day,
when it's over
and i'm stuck here
feeling sober
and i don't
don't know what to do
cause everytime i think
i think of you
and i'm confused

now that this is over
and i'm here feeling sober
with an empty thought inside my head
yeah it's an empty thought of you
and i know what your saying
and i've heard this game your playing
all this need for attention is gonna drive me through
the wall

and i don't know what to say
or do when i'm with you
i wont give up on you anymore
and i know how you work
indide, when i see you
i wont give up on you anymre
yeah right

your lost in a rejection

still cursed from my affection
an i know your lies and what you say
you'll pay for them to day
so time flies by so slowly
i don' care you're lonely
it 's what you did it's not my fault
it's just the way i feel

and i don't know what to say
or do when i'm with you
i wont give up on you anymoe
and i don't know how you work
inside, when i see you

i wont give up on you anymore
yeah right

and i don't know what to say
or do when i'm with you
i wont give up on you anymore
and i know how you work
inside when i see you
i wont give up on you anymore
yeah right
