You compromise your values,
you say it doesn't hurt,
all you want it acceptance,
you'll do anything that works,
You say they understand you,
I can see you want to Blend,
But when reality hit's home,
You were never one to pretend oh

You walk in silence to the drawer and you slip the knife
away,
Your body bleeds, good-bye inner pain,
Cause i know when i see you,
that to you it's a small sacrifice,
your body feels so good such a small price

But I, can see through you,
And I, can see through you,

Cause you just wanna feel alive
You just wanna feel alive,
You'd give anything, and anyone, to set your record
straight,
Cause you just wanna feel alive
Cause i know when i see you i think your such a joke,
everytime I look you wanna choke,
Cause i know when i see you , that to you it's a small
sacrifice,
Your Body feels so good such a small price,

But I can see through you,
And I can see through you,

Cause you just wanna feel alive
You just wanna feel alive,
You'd give anything and anyone to set your record
straight,
Cause you just wanna feel alive

You just wanna feel alive,
You just wanna feel alive,
You'd give anything and anyone to set your record

straight,
cause you just wanna feel
ya you just wanna feel,
You just wanna feel alive
You wanna feel alive.
