Where have I gone?
I've drifted away.
Everything in me is different today.
The feelings from within,
the love that I show.
Who am I?
Where'd ya go?

You're under the weather.
I'm falling under you.
You're under the weather.
And you're under all the truth.

Look me in the eyes.
Tell me, what do you see?
Am I the one, the one you need?
The feelings from within,
the love that I show.
Who am I?
Where'd ya go?

You're under the weather.
I'm falling under you.
You're under the weather.
And you're under all the truth.

Everyday is a new day where I can look inside
to find out who I am or what I need it's so unclear.

Obsolete. It's a pain in my chest, thoughts of
emptiness.
I'm so sick of, I'm so sick. My sore feelings, I'm not well.
I'm so sick of, I'm so sick. My sore feelings...

I'm under the weather.
I'm falling under you.
You're under the weather.
And you're under all the truth.

Everyday is a new day where I can look inside
to find out who I am and what I need it's so unclear.
Obsolete. It's a pain in my chest, thoughts of

emptiness.

I'm so sick of, I'm so sick. My sore feelings, I'm not well.

I'm so sick of, I'm so sick. My sore feelings...

I'm under the weather.

I'm falling under you.

You're under the weather.

And you're under all the truth
