I can remember vividly
When I went to my brother to collect changee
All he told me was 9ice, be who you wanna be
Copy nobody
And respect your family

Just to make a living

VERSE 3

I can do anything any time I feel like
I can go to the club any day I feel like
I can do anything any time I feel like
I can go to the club any day I feel like
You don't need to cage-ise me
I know what is good for me
Looto eyin le bi mi
But my destiny will speak for me
Make a choice for me
Cos I'm born to be
Adigun alapomeji
Cos I know what will be will be
And I'm proud of who I be
Who I be
