VERSE 1:: 9ice

My name and game  
Striking so hot  
Make you go insane  
I be the chosen one  
I remain oba ara of Naija land  
My brain brain  
Working all day  
Like say I no be man made  
The streets keep urging me to do more  
Once more I come up with this  
Brand new one  
Bone animosity  
I be the great one  
Amebo e so ra yin  
I'm beyond your beef talk  
Ojumo kan, imo kan, ere kan, ara kan, asa kan  
Just like Chameleon  
Olomo shi kata l'oba agbado  
Igi mu jina s'ori  
I think you should know  
So, Abegi ooooo  
Oba o le pe meji l'aafin  
E ma lo ji soro

But it's true that I'm talking
