This is the last that I try
To stay with you
This is the last time that you cry
I don't love you
So i take my board and I go away
On the California beach anyway

And to forget you tonight
I'll go at a party under the moonlight
Yeah
I should to grow up
But I never wake up
Of my nightmare
I'm on the Road To The Hell

But I don't care
I never sleep well
Ok
But I don't care
I never sleep well
Ok
So when I'm singing
I hear that girl
Who's crying 'cause she's ditching
School she wear Ripcurl
We're on the highway
And we're running away

And to forget you tonight
I'll go at a party under the moonlight
Yeah
I should to grow up
But I never wake up
Of my nightmare
I'm on the Road To The Hell

But I don't care
I never sleep well
Ok
But I don't care
I never sleep well
Ok
