Like a splinter in my thumb
You're not going anywhere
Not like I care
Cause I have got used to it
Refuse to quit

You're like the label in my shirt
That keeps scratching down my back
Than i forget
Cause I've grown immune to it.
Go figure it
Knew you were trouble back then.
But that what turned me on
Its all wrong.

Suitcase and baggage in her hand
She screams loud
Yes and it's crazy beautiful
Crazy beautiful
Tattooed and lying on the bed
Don't regret smashing her fists into the wall
Crazy beautiful she's worth it all

She leaves the ashtray on the bed
She don't censor any thoughts
Inside her head
She just has to get them out
Cant shut her mouth
She's like a song that's in my brain
But every other lyric says my name
And I just can't turn it off
Cant get enough
I knew you were trouble back then
But that's what turned me on
Its all wrong.

Suitcase and baggage in her hand
She screams loud
Yes and it's crazy beautiful
Crazy beautiful
Tattooed and lying on the bed
Don't regret smashing her fists into the wall

Crazy beautiful she's worth it all

Sometimes something that is not perfect
Ends up being what you want
Sometimes she lets me into places
Where her demons come to haunt

Shes like an angel that's corrupted
And im hanging onto her

Suitcase and baggage in her hand
She screams loud
Yes and it's crazy beautiful
Crazy beautiful
Tattooed and lying on the bed
Don't regret smashing her fists into the wall
Crazy beautiful she's worth it all
Shes got her

Suitcase and baggage in her hand
She screams loud
Yes and it's crazy beautiful
Crazy beautiful
Tattooed and lying on the bed
Don't regret smashing her fists into the wall
Crazy beautiful she's worth it all
