HeyÂ...
Tell me whatÂ's going on
HeyÂ...
Tell me where I go wrong

IÂ've been losing all I got
Then youÂ...
You just walk right in
You just walk right in

Chorus:
When IÂ'm here with you
I just block it out
ItÂ's cool we talk about whatever
And yeah...
You know IÂ've been around
My world came crashing down
But when IÂ'm here with you
IÂ'm better

HeyÂ...
IÂ'm watching the worlds collide
HeyÂ...
ThereÂ's nobody else inside
Girls they donÂ't know what they want
But youÂ...
You just walk right in
You just walk right in

When IÂ'm here with you
I just block it out
ItÂ's cool we talk about whatever
And yeah...
You know IÂ've been around
My world came crashing down
But when IÂ'm here with you
IÂ'm better

It used to be that I just had to fake it
(all my life)
Over and over I just couldnÂ't take it
(not this time)

But youÂ...
Wherever you walk or run
Yeah youÂ...
Anything goes tonight

When IÂ'm here with you
I just block it out
ItÂ's cool we talk about whatever
And yeah...
You know IÂ've been around
My world came crashing down
But when IÂ'm here with you
IÂ'm better

(IÂ'm better)
When IÂ'm here with you
(IÂ'm better)
I just block it out
(ohh) itÂ's cool we talk about whatever (whatever)
(yeah) and yeah
You know IÂ've been around
My world came crashing down
But when IÂ'm here with you
IÂ'm better
