There is a life I know,  
That I never lived,  
Started but failed to grow,  
We missed the chance,  
To feel this love,  
Every voice from above,  
I'm not a roller,  
But sometimes I have to laugh,  
Cause you can't befall until you face the past,

You,  
Maybe one day I'll see you,  
Walking through the hall,  
And I won't know what to say,  
Just like before,  
No, just give me one more,  
A chance to make this love of mine,  
Live again before I die,

And I don't even try,  
Alone and forget,  
No need to wonder why,  
There's little regret,  
Saying loud,  
I'm in love and proud,  
With the girl I don't see,

And I no longer know,  
When they moved in strange ways,  
And that I know,

You,  
Maybe one day I'll see you,  
Standing by the wall,  
And I won't know what to say,  
Just like before,  
No give me one more,  
A chance to make this love of mine,  
Live again before I die,

With you,  
On my mind,

Maybe one day,  
We will find,  
But for now,  
Has been lost,  
Maybe one day,

You,  
Maybe one day I'll see you,  
Walking through the hall,  
And I won't know what to say  
Just like before,  
No give me just one more,  
A chance to make this love of mine,  
Live again before I die
