if you can't hear me  
i know that i'm right here  
i hurt your heart beat  
it took away the fear

'casue my life is sliding  
i tried to ride the wave  
it came down crushing  
it's time to start again

backwards to go forward  
left in every corner  
been there & back again  
but when the music ends...

Your life is a flashback,  
a question, a fotograph.  
A statement, a story, a struggle,  
a chance to laugh.  
'cause if you don't laugh you cry  
and life crescendo when you die.  
so hit the rewind and listen  
it's the playback  
the Soundtrack to your life
