My flows hotter than Arabian sand, chains swinging like
Tarzan Revenge of the 9th Prince, the man with the iron
hand Never take the stand, my pen and pad is
contraband Shoot my way out, in the slaughter house
From New York to Down South, yo, I'm out for new

Neighborhood Robin Hood, it's just me and lady
heroine Granddaddy Flow released from the pen
That's how the saga begins He's back on the streets,
healthy as vitamins [kung fu sample] 9th Prince, you
wanna kill us all? [Chorus]
