Convict, convict, convict

[Youngbloodz]

Young-Young-Young-Youngbloodz

Young-Young-Young-Youngbloodz

That-Th-that-That-Th-that

That-Th-that-That-Th-that

Crunk-Crunk-Crunk-Crunk

[Sean Paul (Akon)]

I tote that thing, nah mean

Hat lean, clothes smell like green

And some white tees and white rees

About bread real G's get cheese

Back to the streets, back with (Akon)

Back for the A, reppin' for the slums

Put ya hood up show a nigga where ya from

And if they hate that then get the job done

[Hook - Akon]

Hey, I'm sure you know my steez

Rollin' presidential through ya hood like G's

Gotcha higher than Chris Tucker

Sittin' in my Cutlass system beatin' like a motherfucker,

hey

[Sean Paul (Akon)]

But we smoke, that kush (Uh huh)

(Oh, oh, oh uh huh) Presidential shit, George Bush

(Yeah) How we do it (Uh huh)

(Oh, oh, oh uh huh) Get crunk, big big, big, big (Hey)

[J-Bo]

Sixteen, I'ma give it to ya raw

Take it to ya ass, slap ya clean cross the jaw

Now where they at where they, you want some

See I don't think y'all really want none

See I'm back with a whole new clip

With a badass chick, on some brand new shit

Now put 'em up, put 'em up to the sky

Get buck, get drunk, get high  
Shake 'em off, ya know what to do  
Take it to the floor, call out ya whole crew  
Like what, knuck if ya buck  
See we still don't give a damn and I never gave a fuck  
See I'm big timin' wrists stay blindin'  
With four or five freaks, and my pinky ring shinin'  
I stay grindin' and true to the streets  
If you ever need to find me then you know where we  
can meet

[Hook]

[Sean Paul]  
I build big bank and drank drank  
That's why I got a purple Sprite, and y'all aint  
I ride big rims, sittin' this tall  
So when ya step down, baby girl don't fall  
Y'all niggaz know the name, they call me Sean Paul  
And I ain't got no flaws, except breakin' the laws  
Niggaz call me dope, cause I'm hard and I'm raw  
Can call me that fiend, one hit'll make ya cough  
It's always beside me, watch got diamonds  
I ain't part timin', I'm full time grindin'  
The nigga wasn't shinin' live nigga blindin'  
I'm with niggaz with the dimes in the whips I be ridin'  
And I don't pull 'em out, until the trunk beat  
And ya can see ya movie sittin' in the back seat  
They wild on the east, they live in these streets  
So I'ma keep my piece sittin' on the front seat

[Hook]
