In a second my life changed. Was I supposed to see it or feel the way I do today? I would not believe it. Only one thought haunted me—that I would regret it. I had no time for this time in my life.

Right now I realize what I have.

Now it's eight months to the day. Where is the time going? I don't want to miss a thing, so I'll keep on moving. When I stumble and fall behind, she is there to show me that I can't live without her in my life.

Right now I realize what I have.

And if there comes a day, I'd throw the others away. They wouldn't matter if I let you go. Though I may bend I will not break, run, leave you hear in the dark.

I used to think I had it all. Together we will have it all.
