The Rock's layin the smack down  
The Rock says (4x)  
Know your role... and shut your mouth  
Ha ha ha ha ha ha  
The Rock says, The Rock says know your damn role  
Ha  
Do you smell what The Rock is cookin?  
The Rock says (5x)  
Know your damn role  
Ha ha ha  
Know your role and shut your mouth  
The Rock's layin the smack down
