I've lost my way
That I've been traveling than
I finally came to this land

What's this place?
Why's everyone staring at me?
Like I'm standing with blood on my hands

What? What? What am I doing here?
I don't wanna be here
I don't wanna feel this fear
Condemned to be a slave
In this land I'm like in cave
Wherever I go my soul reminds

Chorus:

Somewhere beyond this place
I could be king
Great, bright and glorious
Master of wind
But now I'm gazing at the dark
Trying to find out something
Gazing at the dark
I'm beginning my way
And it's gonna be a quest for a crown
Or it's gonna be my way to angels
It's gonna be a quest for my life.

Cold night was everything I've seen here
I see no reason to be happy or to open my heart
This time I won't wait for a new day
I'm gonna spread my wings an' fly towards vivifying sunrise

I don't know when
But I will reach the place

Where I will find an endless light from the sky
It will be the end
Of my eternal quest
May be that day I'll bring back my life
And...

Chorus

Chorus (final):
Somewhere beyond this place
You could be king
Great, bright and glorious
Master of wind
But now you're gazing at the dark
Trying to find out something
Gazing at the dark
You must begin your own way
And it's gonna be a quest for a crown
Or it's gonna be your way to angels
It's time to begin your quest for your life
