Both:

I can't believe that love has gone away from me
I can't believe that love has gone away
I can't believe that love has gone away from me
I can't believe that love has gone away (I can't believe
you're gone
away)

All those days and nights I sat and I prayed
Never thought that I would see this day
I didn't think that it could hurt soooo bad
A broken heart
was never meant for me

Faith:

Lord let it please rain on my face
So that it can wash away all my tears
If this is the house that love is in let me leave
Cuz I don't wanna be
hurt like this again
I can't believe
I can't believe that love has gone away from me
(I can't believe)
I can't believe that love has gone away
(gone away gone away)
I can't believe that love has gone away from me
(no no)
I can't believe that love has gone away
(I can't believe your gone away)

112:

Many times I watched you while you were asleep
With thoughts of living life with only you
If I had read your mind then things could have
changed
I'll give anything
to be with you again

Faith:

All I ever wanted was to see your face
and here your pretty voice from day to day
Now that you're gone I have no reason
For feeling that way
I can't believe you're gone away
I can't believe that love has gone away from me

(ooooh nooo)
I can't believe that love has gone away (and it hurts so bad)
(I can't believe I can't believe)
I can't believe that love has gone away from me
(oh why did you go ooh?)
I can't believe that love has gone away
(I can't believe your gone away)
112:
(When I) When I look back on the times we shared
and my love was so good
no one else could compare
Faith:
(Don't you know) Don't you know you were my love (my only love) and I
can't believe (I can't believe) that you're gone away.
I can't believe that love has gone away from me
(away...I can't believe)
I can't believe that love has gone away
(no I can't believe)
I can't believe that love has gone away from me
(girl I can't believe oh...) (how could you leave me baby? yeah...)
I can't believe that love has gone away
(I can't believe you're gone away)(ooh)
I can't believe that love has gone away from me
(that you're gone away from me)
I can't believe that love has gone away (that you're gone)
(no I can't believe)

(come back baby) (yaaaah)

(ooooooooh)
(I can't believe you're gone away)
I can't believe that love has gone away from me
(Baby I love you)

(Thinking about you all the time) (Tell me why did you leave?)
I can't believe that love has gone away from me

(I can't believe you're gone away)
