Ooooooooooooooooooh
ooooooooooooooooooooohoooohhh
Monica:
Oceans apart day after day
As I slowly go insane
I hear your voice on the line
But it doesn't stop the pain
I see you next to never
How can we stay forever?
Chorus:
Wherever you go whatever you do
I will be right here waiting for you
Whatever it takes or how my heart breaks
I will be right here waiting for you
I take for granted all the time (all the time)
That I thought would last somehow
I hear the laughter, and I taste the tears
But I can't be near you now
Oh Can't you see it baby?
You've got me going craaaaaaaazy
(Chorus)
I wonder how
(how we can survive)
this romance
But in the end if I am with you, I'll take the chance (I'll
take the
chance)
Yeaaaaaaaaaahhhhh
OOoooooooooooooooooh
Baby Baby yeah
Chorus
Oh I love you
Oh whatever it takes, whatever you do, wherever you
go I am never
leaving you
Oh yeah I am gonna be waiting
I'll be right here waiting for you ohooooooooohh you
