Go fuck yourself
Thank god itâ€™s the end
Iâ€™ll see you in hell with all your friends
I thought I had everything but
Youâ€™re the one who needs saving

Just a little touch
Just a little thought
Wonâ€™t save you
Stab me in the back
Another fucking lie
Iâ€™ll do it too
Didnâ€™t stop to think of
What went wrong
And you know it
Itâ€™ll never stop
Need something new
Like weâ€™re drowning
In the deepest place
All shades of blue
Didnâ€™t stop to think of
What went wrong

You. You know itâ€™s true
And thereâ€™s nothing more that I can do
Yeah thereâ€™s nothing more that I can do

Go fuck yourself
Thank god itâ€™s the end
Iâ€™ll see you in hell with all your friends
I thought I had everything but
Youâ€™re the one who needs saving

In this mess youâ€™ve made
Youâ€™ve got all the wrong reasons in all the right
ways
Almost decayed
And as you lie there
Twist your words
Youâ€™ve made this apathy

Go fuck yourself
Thank god it's the end
I'll see you in hell with all your friends
I thought I had everything but
You're the one who needs saving
